It's a guided tour of who God created you to be, how God created you to lead, what it means to be a servant leader, and what it means to live in Christian community. During ELI Leader Week, participants focus on discovering their natural strengths, then learning servant leadership theory, small group dynamics, and how to cast a vision. Then, during their Servant Leader Practicum, participants put to practice what they've learned as volunteer counselors at Grow Day Camp sites at churches across the North Ga Conference (schedule below) while continuing to receive guidance from ELI coaches.
